

KZ 175 Announcement

All KZ category drivers and trainers, as well as all those interested in competing in this category, are hereby notified that, as of January 1, 2023, the use of the KZ 175 engine will be permitted in accordance with the CIK FIA regulations. Likewise, it will be possible to compete with the KZ 175 engine in accordance with the SKUSA regulations. Both engines will compete in the same category.

Sincerely,

SKUSA Mexico Championship.
