

# TEAM CHAMPIONSHIP BULLETIN

The 2023 season has ended and the presence of teams has increased considerably, not only in this season, but in recent years, therefore, starting in 2024 we will start with the “**SKUSA MEXICO TEAM CHAMPIONSHIP**”.

It was difficult to determine the best conditions to establish the requirements to form a team, we believe that at the beginning of this project each team should have at least 1 or more pilots from these categories:

- Mini Swift,
- X30 Jr.
- X30 Mr.

The process will be as follows:

1. At the end of the round we will take the best Mini, X30 Jr, X30 Sr driver from each team participant.
2. We will add the points of the round of the best drivers of the team located in said categories (mini, X30 Jr and X30 Sr.)
3. The sum of the points of the best drivers of the team will result in the total points of the team, to which **we will REALLOCATE** points according to the following table:

Pos	Points	Pos	Points	Pos	Points	Pos	Points
1	25	7	17	13	11	19	5
2	23	8	16	14	10	20	4
3	21	9	15	15	9	21	3
4	20	10	14	16	8	22	2
5	19	11	13	17	7	23 in forward	1
6	18	12	12	18	6		

Example:

POS	Equipment	Round 1				Points Equipment Round 1
		Mini	X30 Jr	X30 Sr	Points EQUIPMENT	
1	Team 1	80	96	83	259	25
2	Team 2	90	66	87	243	23
3	Team 3	68	71	84	223	21
4	Team 4	61	82	74	217	20
5	Team 5	60	72	71	203	19

Based on this example we will obtain the points per team in each round and at the end of the season we will have the first winner of the Skusa Mexico team championship.

Drivers who change teams must notify Skusa Mexico 10 days before the next date.

Register your team within your pilot registration [www.skusamexico.net](http://www.skusamexico.net)

We look forward to seeing you at the start of the 2024 season at the International Karting facilities KBR.
